Lead Manager App : THE LEAD GENERATION SOLUTION

Mobile App to scan visitors' badge (ex-Emperia)

Lead Manager App (ex-Emperia) is a mobile app to scan visitors' badges at the exhibition.
Collect contacts and find them in your online report available in this section and on your exhibitor dashboard up to **90 Days** after the end of the show.

Customize your account by **indicating your company access code**. Find this code in your exhibitor hub right here.

Download the Lead Manager Mobile app from the App Store or Google Play or use the web version.

Upload up to 3 documents about your company. These files will be sent to the visitors you have scanned at the show.

Add personalized questions. These will be available on your **Lead Manager (ex-Emperia) application**, so you can easily answer the questions you ask visitors on a recurring basis.

GETTING STARTED

BATIMAT is fast approaching. We want to make sure you're prepared for an important part of your experience-collecting leads with the Lead Manager App Lead Retrieval Application. Using the app at the event is easy - simply scan the code on the visitor badge to capture your connection and record their contact details. Here's a simple "[Exhibitor's Guide to Lead Manager App](#)" to get you started and answer some commonly asked questions about the Lead Manager App lead scanning tool.

Available on app store and play store

We also have web version of Lead manager app (LMA)

LOGIN DETAILS

Use these credentials to login to the app. Share this access code with your colleagues from your company so they can capture leads on their own devices as well.

Company access code

DOCUMENT(S) YOU WANT TO SHARE WITH YOUR LEADS

Select up to 3 documents that you want to highlight and share with your leads as part of the end-of-show summary email that the visitors will receive.

CUSTOM QUESTION(S)

Add custom qualifying questions that you would like to ask your leads during lead capture using the Emperia app at the show. Add multi-choice options for each question. Receive these questions and the captured responses as part of your leads report post show.

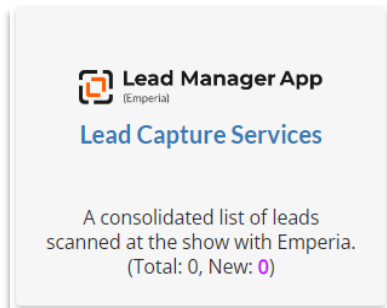

Lead Manager App : THE LEAD GENERATION SOLUTION

Download your leads

Every day during the fair or at its conclusion, you have **access to visitors who have been scanned** by all your collaborators.

At the end of the fair, individuals who have been scanned will **receive the documents you have uploaded in the Lead Manager App menu of your exhibitor space**, as well as your contact details.

COLLEQT QR CODES

Never miss a lead

With **Colleqt**, never miss a lead! Even if you are busy at the stand, have the visitors show interest in your brand and products, in just one simple scan!

- They will **keep your info** in the « basket »
- They will **access your Exhibitor page directly** featuring your products
- You'll instantly exchange via this scan your contact details: **top up your leads database!**
- Find all this leads amongst your reports in the **exhibitor dashboard, source 'Colleqt'**

Step 1 : Complete your profile the maximum you can once you are registered to the event

Step 2 : We will generate the QR Code and distribute the materials onsite to your stand (1 per stand). Make it visible to visitors passing by even if you can't talk to them

Step 3 : Monitor your leads via their different sources and contact them after the event!

LEAD BOOSTER

(Limited places - upsell via your Sales contact)

Attract even more of the right leads

Get new leads by giving attendees the perfect reason to visit your booth and unlock new opportunities. You create an irresistible offer to attract registered attendees to your booth. With limited spaces available, each offer gets maximum visibility to maximise your lead generation results at the show

Once you subscribe to Lead Booster, monitor the tile in the Exhibitor Hub to create your dedicated offer:

A screenshot of the 'Create Offer' form in the Exhibitor Hub. The form has a dark header with 'EUSE' and 'Create Offer' buttons. The main content area is titled 'Create Offer' and includes fields for 'Offer title', 'Offer description', and 'Steps to redeem the offer'. A sidebar on the right allows users to 'Insert / edit link' with fields for 'Link name' and 'URL link'. The form is designed with a clean, modern aesthetic using blue and white colors.

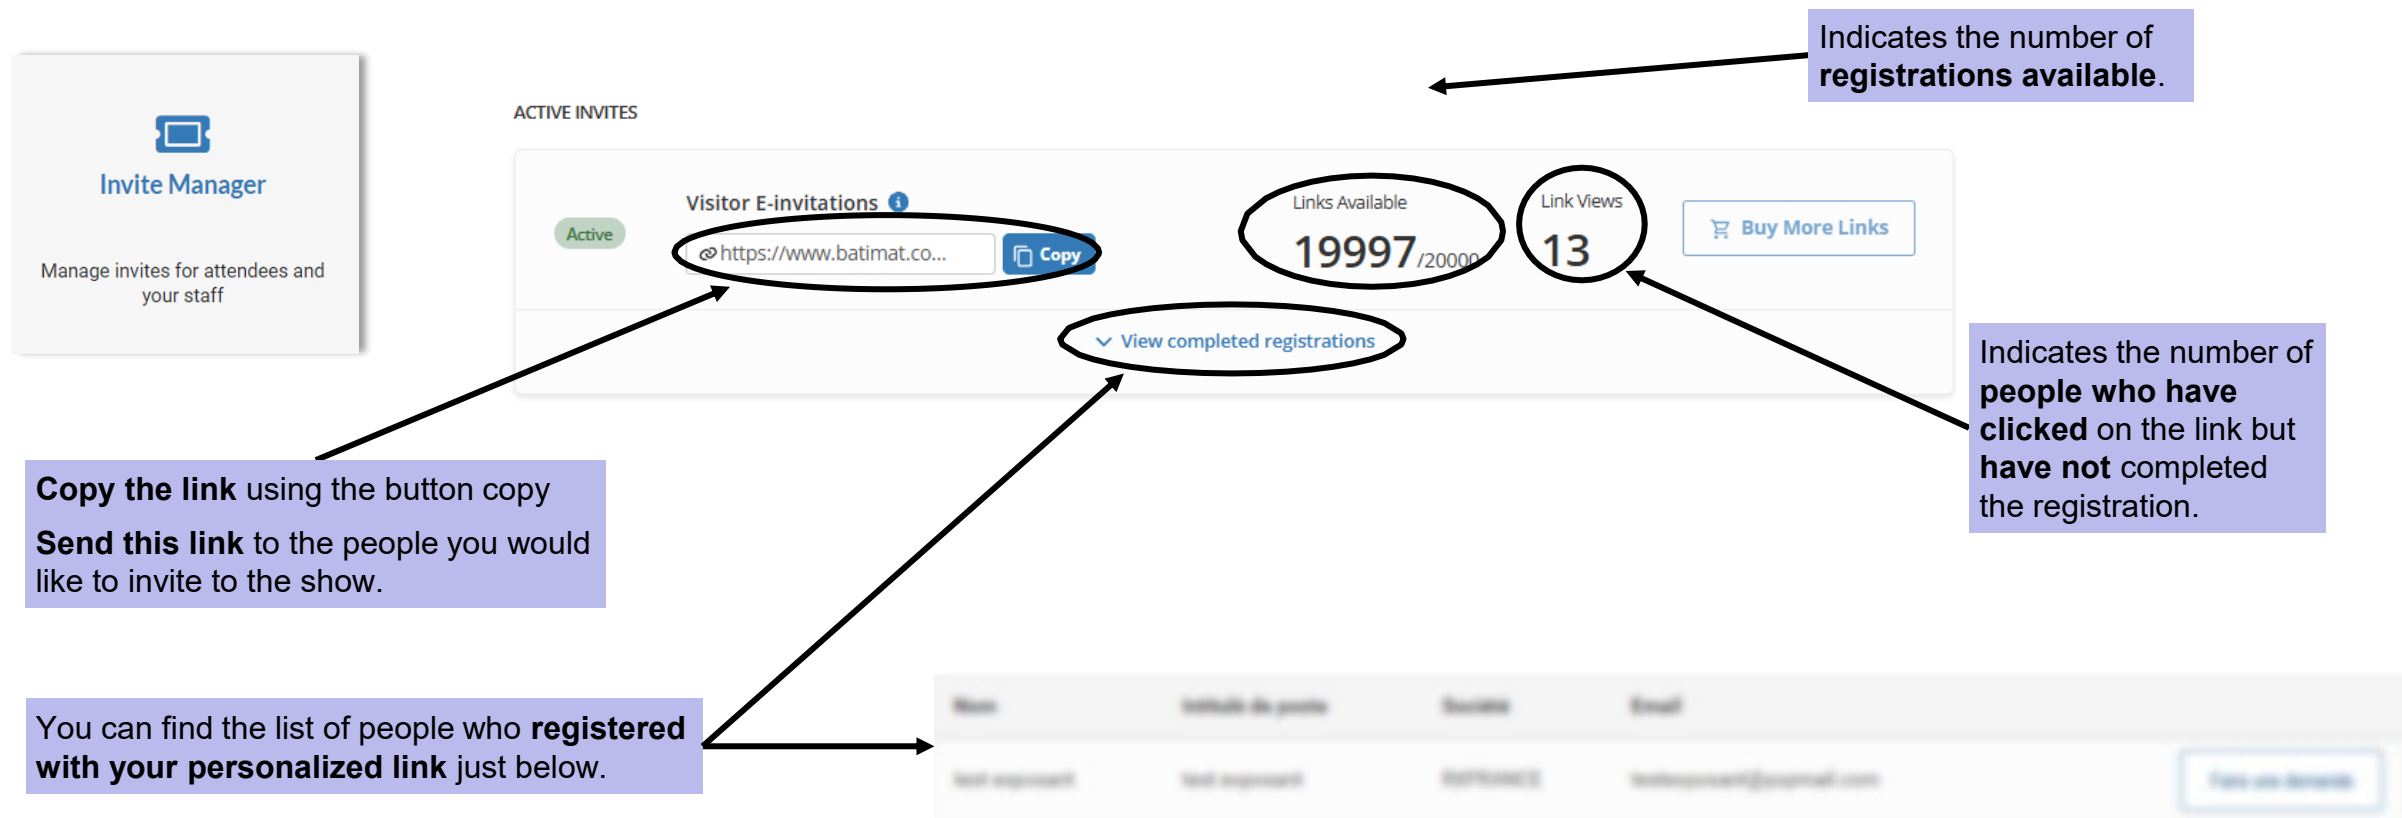

We share the list of exclusive offers from the exhibitors to all visitors

They will collect the offer and share their contact as a new lead in your report

A screenshot of the 'Offers' section in the Exhibitor Hub. It displays two offers: one from HyperSpike for a special tote bag and another from Stanley Black & Decker for a talk script generation tool. Each offer includes a 'Collect' button. The interface is clean and modern, with a blue and white color scheme.

Invite your contacts to visit you at the exhibition. The generated badge is a valid visitor badge from the opening of the exhibition. Do not use this feature to create exhibitor badges.

The screenshot shows the 'Invite Manager' interface. On the left is a sidebar with the 'Invite Manager' icon and text: 'Manage invites for attendees and your staff'. The main area is titled 'ACTIVE INVITES' and contains a 'Visitor E-invitations' section. This section has an 'Active' status, a link 'https://www.batimat.co...' with a 'Copy' button, and statistics: 'Links Available 19997 / 20000' and 'Link Views 13'. A 'Buy More Links' button is also present. Below the statistics is a link to 'View completed registrations'. At the bottom, a table shows a list of registered visitors with columns for Name, Invitation code, Status, and Email. Annotations with arrows point to various elements: 'Copy the link using the button copy Send this link to the people you would like to invite to the show.' points to the 'Copy' button; 'You can find the list of people who registered with your personalized link just below.' points to the 'View completed registrations' link and the table below; 'Indicates the number of registrations available.' points to the 'Links Available' statistic; and 'Indicates the number of people who have clicked on the link but have not completed the registration.' points to the 'Link Views' statistic.

MANAGE YOUR COMPANY BADGES

Managing delegates registrations in your stand quota

Exhibitor badges provide access to the fair before the opening hours for visitors and during the setup and dismantling days. The Allocate Badges section **allows you to add one or more badges for your colleagues.**

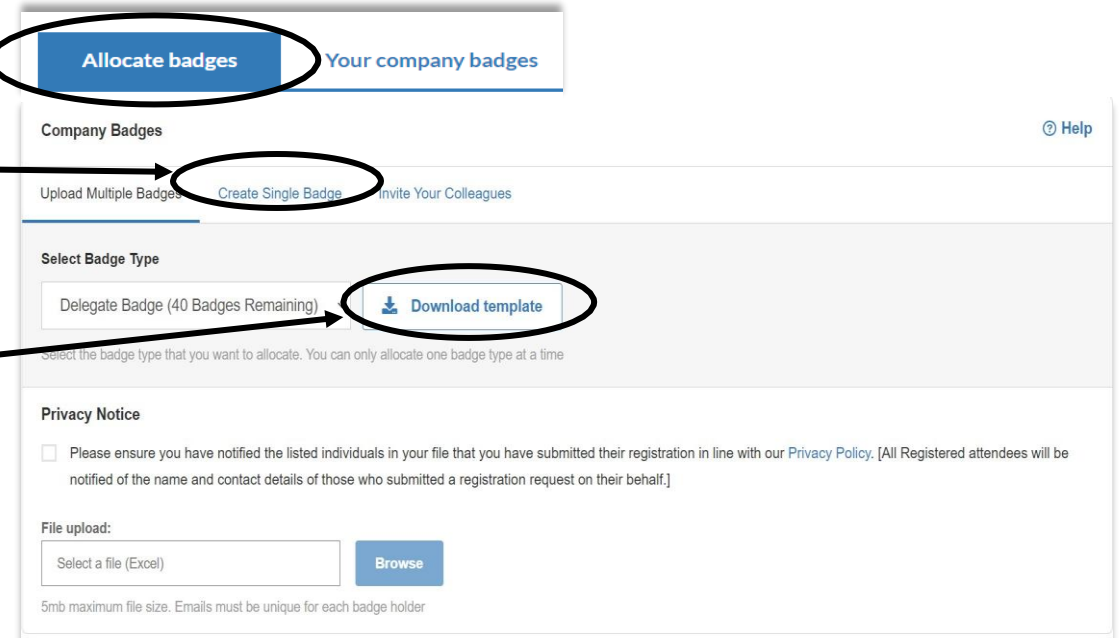

Here you will be able to **navigate between both parts** :

- Allocate badges
- Your company badges

Click here if you want to create a **single badge**

Use this template to **upload multiple delegates** at the same time

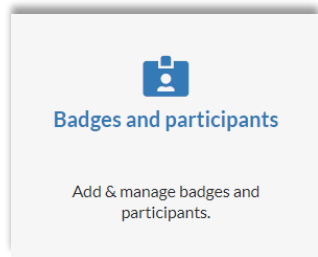

The screenshot shows the 'Allocate badges' interface. The 'Allocate badges' button is circled in black. Below it, the 'Company Badges' section has three tabs: 'Upload Multiple Badges', 'Create Single Badge' (circled in black), and 'Invite Your Colleagues'. Under the 'Create Single Badge' tab, the 'Select Badge Type' section shows 'Delegate Badge (40 Badges Remaining)' and a 'Download template' button (circled in black). Below this is a 'Privacy Notice' section with a checkbox and text. At the bottom is a 'File upload:' section with a 'Select a file (Excel)' input and a 'Browse' button. A note at the bottom states: '5mb maximum file size. Emails must be unique for each badge holder'.

MANAGE YOUR COMPANY BADGES

Managing delegates registrations in your stand quota

Badges are **available for download and printing 14 days before the show**. However, you must have properly completed your profile in its entirety in advance in order to access your badge.

Here you can find the **exhibitor badges** you have uploaded

COMPANY DASHBOARD ANALYTICS

The Exhibitor Dashboard allows you to **access a wealth of data regarding your performance at the exhibition.**

This dashboard **synthesizes your leads generated during the show** (with Lead Manager App).

A large amount of data is available **to help you understand the typology of your leads, your strengths, and areas for improvement for your next exhibition.**

This page only becomes **accessible 90 days before the show.**

Its pro version also allows you to **compare yourself with your competitors.**

DECLARE MY PROVIDER

If you are using a decorator or service provider (caterer, photographer, etc.) to build all or part of your stand, you must complete the form below. This form must be completed for each company working on your stand.

Please note that this form can't be used to issue individual badges. It authorises your service provider's company to access the Solar registration platform (<https://solar.rxfrance.fr/>) to create assembly/dismantling badges and maintenance badges for its teams.

As soon as your form has been validated, a summary e-mail will be sent to you and to the registered service provider.

Attention! Please note that hiring a decorator on BATIMAT, INTERCLIMA and IDEOBAIN, booth designer, or stand design agency is not permitted when you have a packaged stand. Only stands with an area equal to or greater than 54m² are eligible.

Deadline for suppliers to declare: 22nd May 2026

INNOVATION AWARDS

Introducing new and innovative solutions

For construction professionals and journalists alike, the Innovation Awards serve as an excellent platform to launch market innovations.

The Innovation Awards enhance the visitor experience by ensuring that all innovation are showcased. By participating in the competition, you not only accelerate the publicity of your innovations but also secure optimal media coverage.

INNOVATION AWARDS

The Innovation Awards is a competition that recognizes the most promising innovations across various building trades.

A panel of industry experts evaluates each entry and assigns scores based on the ingenuity and potential impact of the solution.

The competition is structured to reflect market realities, with categories tailored to the needs of Paris Builder Show exhibitors and evolving trends in the sector.
